

Discover **Aurea Series**
Designed
around you.

Designed around you

Aurea Series brings together cleaner air, intelligent cooling and high-efficiency performance, **designed to adapt to your lifestyle.**

With AI that learns your habits, **ultra-quiet comfort** and long-lasting reliability, every detail works seamlessly to make your home feel just right, every day.

DESIGNED AROUND YOUR LIFE.

From cleaner air to smarter control and long-lasting performance, every detail is **made to adapt to your everyday comfort.**

A+++ EFFICIENCY THAT MAKES A DIFFERENCE.

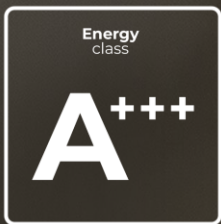

Rated A+++ in cooling and A++ in heating, it delivers high efficiency all year round, ensuring powerful performance with optimized energy use.

Up to 30% lower energy consumption in cooling compared to the average monosplit air conditioners in Spain (9K range) while maintaining powerful performance.

KEY BENEFITS I – Smart Energy Savings

LESS ON BILLS. MORE ON LIFE.

High-efficiency performance helps you **save up to €700**, so you can spend more on what matters.

Compared to standard A++/A+ units. Based on average usage in Spain and an electricity price of €0.22/kWh over 12 years. Actual savings may vary depending on usage conditions.

TEKA

KEY BENEFITS I – Smart Energy Savings

IT KNOWS BEFORE YOU DO.

AI-powered learning understands your habits, so your home is always just how you like it, while optimizing energy use in the background

07:04

ENERGY SAVING

TEKA

KEY BENEFITS II – Healthier and cleaner air

BREATHE WITHOUT THINKING ABOUT IT.

Super Ionizer technology purifies the air by removing particles and odors, so every breath feels cleaner, fresher and more comfortable.

TEKA

KEY BENEFITS II – Healthier and cleaner air

Multi-layer filtration **purifies the air** by capturing dust, odors and bacteria, helping create a cleaner, safer and **healthier home for you and your family.**

Powered by HEPA, Cold Catalyst, Activated Carbon and Silver Ion technologies, it neutralises pollutants and improves overall air quality.

PROTECTION FOR
WHAT MATTERS MOST.

TEKA

KEY BENEFITS III – Effortless Smart Control

JUST THE WAY YOU LIKE IT.

Easily control temperature and settings anytime with **WiFi and Bluetooth** connectivity.

Enjoy **personalized comfort** that adapts to your lifestyle, whether you're at home or away.

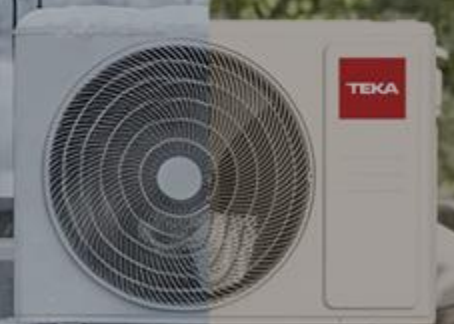

TEKA

KEY BENEFITS VI – Long-lasting performance

BUILT TO STAY WITH YOU.

Golden Fin coating on both indoor and outdoor units protects against corrosion, ensuring long-term durability.

Designed and produced in-house, including key components such as the compressor, it delivers reliable performance in any condition, from intense summer heat to cold winter temperatures.

TEKA

KEY BENEFITS V – Easy Installation

QUICK TO INSTALL. **EASY TO ENJOY.**

Designed for easy installation, repair and maintenance, helping professionals save time while making your home **ready from day one.**

TEKA

SMARTER INSTALLATION, FASTER RESULTS.

Optimized structure enables faster installation, precise alignment and tool-free wiring, simplifying maintenance and repairs to save time at every stage.

KEY BENEFITS V – Low Noise Level

THE SILENCE YOU'VE BEEN WAITING FOR.

Ultra-quiet operation, with sound levels as low as **19 dB(A)***, creates a calm and comfortable environment with minimal disturbance, ideal for bedrooms or any space where you don't want any noise.

19dB

Noise level refers to the indoor unit of the 9K model. Sound pressure levels (Hi/Mi/Lo/Si) correspond to high, medium, low and silent fan speeds: 39/34/25/19 dB(A).
